Eaman Park Pool is a private, stock-owned swim club located in Rowan County, NC. Members of this club are expected to play an active role in pool operations and will be offered numerous volunteer opportunities throughout the season. All members are invited to join the Board of Directors which meets monthly throughout the Summer season. This Board oversees pool employees, pool finances, and all issues that may arise throughout the season.

The Board determines the pool rules, plans fundraisers and events, oversees membership applications, and more. An annual meeting of Stockholders is held every year in mid-January.

During this meeting, issues may arise that will require your vote.
